### ***Dro.Me.A. Racing organizes the 6<sup>th</sup> annual 15-km, 'Garmin Troodos Green Race 2015'.***

Dro.Me.A. Racing runners' club organises the 6<sup>th</sup> annual 'Garmin Troodos 15-km Green Race', on June 14, 2015, with a start and finish at the Troodos central square. The island's highest-altitude running event, it meanders through the Troodos nature trails and offers breathtaking views! The event aspires to raise awareness for the protection of Cyprus' forests in addition to offering a social outdoor activity.

Participants of 18 years and over may take part in the 15-km mountain race as it has an advanced degree of difficulty, both due to the mountainous terrain as well as the high altitude. The participation fee is 10 Euros, while registrations can be done online at [www.dromearacing.com](http://www.dromearacing.com), or on the day of the event at Troodos square between 7:30 to 8.30 am. The race takes off at 9 am. The cut-off time for the race completion is 2 hours and 10 min (runners who feel they are unable to comfortably complete this distance within this time frame, are not advised to take part).

The event main sponsor is 'Garmin'. Other sponsors include Becel Pro.Activ, under the 'Heart Routes at Troodos' campaign and Webarts.

The race is under the auspices of KOEAS and it is supported by the CSO.
